

WE ARE SOCIAL

We don't just broadcast we engage. Our audience connects across social, mobile, and smart platforms, creating multiple touchpoints for your brand to shine.

From TikTok virals to Instagram giveaways, we bring your message to the feeds that matter. We turn attention into action clicks, sign-ups, footfall, and sales powered by presenter-led content, creator collabs, and UGC that feels native, not "ad-y."

Right audience, right moment

Breakfast buzz, lunchtime scrolls, drive-time drops, late-night vibes.

Your creative lands when intent is highest, then scales with smart, geo-targeted paid support.

SOCIAL MEDIA REACH

41,500+ followers across all major platforms.

Energy 106 connects with listeners on-air and on-screen creating daily opportunities for brands to be part of the conversation. Whether it's viral videos, competitions, show promos or community-driven content, our digital platforms keep the energy flowing and your message moving.

PROMOS THAT PERFORM

Partner with us on branded giveaways, ticket drops, or product promos that get attention and drive real action.

INFLUENCER-STYLE CONTENT

Align your brand with our presenters and station voice through native social content that feels authentic not forced.

MULTI-TOUCHPOINT ENGAGEMENT

From radio mentions to Instagram reels, your campaign doesn't just play once it lives across platforms, extending your message far beyond a 30-second spot.

CROSS-PLATFORM MOMENTUM

Combine on-air presence with digital assets for maximum recall and campaign amplification.
